The Board and staff of the BCPL appreciate the cooperation and support of its communities as we work to fulfill our role as a community resource while protecting the health of patrons and staff. The library is doing everything possible to assure that sanitation practices are in accordance with CDC and ODH recommendations, and that ODH orders concerning mass gatherings and social distancing are also being followed.

We continue to work with and follow directives from the U.S. Centers for Disease Control (CDC), the Ohio Governor's Office and Ohio Department of Health (ODH), the Ohio Library Council (OLC) and State Library of Ohio (SLO), and the Brown County Board of Health. Future updates will be provided as these authorities release additional guidance. For the latest information, please check our website at browncountypubliclibrary.org.
